Do Something Beautiful

Make a difference. Recording artist Charlotte Martin did.

Get this limited-edition tee to do something beautiful and make a difference in young girls' lives. It's just \$20 (plus s/h) at marieclairereader.com. Proceeds will benefit the Starlight Starbright Children's Foundation.

The Starlight Starbright Children's Foundation NY*NJ*CT launched "Star Power," a program designed to reconnect seriously ill pre-teen girls with the simple joys of just being girls, at a luncheon at the Morgan Stanley Children's Hospital of New York-Presbyterian.

Charlotte Martin unveiled this T-shirt during a special performance, inspiring a group of girls with her music and magnetism. Charlotte used the latest Maybelline New York cosmetics to add her own touch to this T-shirt design, showing how a little imagination can make the world a more beautiful place.

The Starlight Starbright Children's Foundation is an international nonprofit organization dedicated to improving the quality of life for seriously ill children and their families. For more information call 800-315-2580 or log on to www.slsb.org.
